

# ASSURE

## ANTIMICROBIAL FOAMING HAND SOAP

### FEATURES

- A PREMIUM, INSTANT LATHERING HAND SOAP
- MILD ON HANDS
- USE LESS SOAP WITH FOAMING HAND SOAP
- CONTAINS A PROVEN ANTIBACTERIAL AGENT

### PRODUCT DESCRIPTION

**ASSURE** is a premium, instant, lathering skin cleaner/antimicrobial agent. It contains an antimicrobial agent proven effective in removing bacteria from hands. **ASSURE** produces a rich lather that gently cleans skin. Safe on sensitive skin. Uses up to 40% less hand soap than traditional hand soaps. Fresh scent makes hand washing a pleasant experience.

### AREAS OF USE

For use in all facilities, including restaurant, schools, office building, supermarkets etc.

### USE DIRECTIONS

Dispense **ASSURE** directly from its shipping container into a foaming dispenser. Ready to use. Foaming Dispensers are available through your authorized INTEGRA distributor:  
AEQITTFHSD - Table Top Dispenser
